

# R. B. Wright Elementary School

## School-Parent Compact

2016-2017

Wright Elementary students participating in the Title I, Part A program, and their families, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievements as well as describes how the school and parents will build and develop a partnership that will help children achieve the state's high standards.

At Wright Elementary School, we encourage parents to support our efforts to provide students with the best educational opportunities possible. This School-Parent-Student compact is designed to help foster a positive relationship.

To understand how working together can benefit your child, it is important to understand our schools' goals for student academic achievement.

### Colquitt County Schools Goals:

The goal of Colquitt County Schools is excellence in student achievement with the expectation that all Colquitt County students will at least meet if not exceed the state and national average for academic performance.

### Wright Elementary Academic Achievement Goals

*R. B. Wright's goal is to increase student achievement in all academic areas. More specifically, to increase the scientific concepts of all students, we will focus on implementing more art/science related tasks such as Art Projects, Science Fridays, Science Olympiad Competitions, and STEAM Day Activities.*

To help your child meet the district and school goals, the school, you and your child will work together to:

#### **Wright Parents will:**

- Talk to my child about their progress toward their academic goal.
- Work with teachers on checking my child's academic progress in Reading and Math.
- Suggest and/or participate in activities that support the overall academic goal.
- Attend workshops and learning opportunities provided that is related to Reading.
- Take advantage of resources provided by the school system to promote academic achievement in all areas.
- Gain an understanding of my students' progress and assist in creating a plan to progress my student to the next level as it relates to the overall academic goal.

#### **Wright Students will:**

- Talk to my parents about my progress toward my academic goal.
- Talk with my teacher if I am having problems learning new skills.
- Encourage my parents to attend workshops and learning opportunities provided at the school.
- Use resources provided by the school to improve my Reading fluency.
- Work to understand my progress and create a plan to progress to the next level as it relates to the overall academic goal.

1. **Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the state's student academic achievement standards by:**
  - The school's staff will participate in professional learning opportunities to enhance teaching strategies
  - The school will conduct surveys to measure the effectiveness of the curriculum and instructional support.
  - The school will host academic nights, parent workshops, and school-wide enrichment activities to help parents support their children in meeting our academic goal.
  - Parents will have access to online resources for strategies to assist students with science.
  
2. **Hold parent-teacher conferences during which this compact will be discussed as it relates to the individual child's achievement.**
  - Parent-teacher conferences will be scheduled throughout the school year. The Compact will be used at the conferences to guide the stated responsibilities of minimal school and home interaction. Additionally, parent teacher conferences will be utilized as an opportunity to discuss student progression and recommendations in science.
  
3. **Provide parents with frequent reports on their children's progress.**
  - Parents are informed of student academic progress through Progress Reports, Report Cards, and intervention plans discussed during parent-teacher conferences. Parents will be called upon as needed for each student. Parents will also be provided with support materials to be used at home that addresses science proficiency.
  
4. **Provide parent reasonable access to staff.**
  - School staff is available to communicate with parents through pre-scheduled meetings, email, ClassDojo and phone calls, upon availability. Phone calls are accepted.
  
5. **Provide parents opportunities to volunteer and participate in their child's class and to observe classroom activities as follows:**
  - Wright Elementary welcomes the opportunity for you to volunteer in your child's class. If you are available to volunteer, we encourage you to notify the front office or your child's teacher. We also encourage you to engage in activities that can enrich the students in all academic areas.
